

GERMANY - TÜV SÜD (16/03/2020 – 11:05)

- Is it still possible to do theoretical tests?
Yes, partially, taking various precautions into account.
- If so, under what conditions for the candidate. How do you inform candidates about these conditions?
The applicants sit at a greater distance from each other. The identity check takes place at a greater distance.
- If so, under what conditions for the examiners. How were you informed? What resources are available to help them?
If possible, the examiners keep a greater distance from the applicant.
- Is it still possible to do practical tests?
Yes, taking various precautions.
- If so, under what conditions for the candidate? How do you inform candidates about these conditions?
Information material for the driving schools and the applicant. The procedure is the same as for theoretical exams.
- How were you informed? What resources are available to help them?
No resources.
