

LITHUANIA – REGITRA (13/03/2020 – 19:30)

- We understand that most of you will be following instructions from your own government on how to deal with this issue, but in your opinion, are there any other recommendations worth following (i.e. WHO) that could help to organize your work in the coming weeks? *So first of all, the main knowledge resource for us is WHO.*
- If you have elaborated any procedures to manage the work during the covid-19 outbreak, can you please provide details? *Recently we have been working on action plan and So far, we have agreed on some points. Moreover, we going to have meetings every day in order to update information, get feedback and make corrections.*
- Is it still possible to take theory tests? *We agreed to reduce by half the theory test available seats in order to create less crowded classroom.*
- If yes, under which conditions for the candidate. How do you inform candidates of these conditions?
- If yes, under which conditions for the examiners. How have they been informed? What resources are available to help them?
- Is it still possible to take practical tests? *For the practical test no changes yet.*
- If yes, under which conditions for the candidate? How do you inform candidates of these conditions?
- If yes, under which conditions for the examiners. How have they been informed? What resources are available to help them?
